

## SAR Lineage Worksheet

Please fill in as much information as you can. This will assist us in determining that we have the correct lineage to your ancestor. Please give us your telephone number and an email address so we may contact you should more information be required or for clarification purposes. This genealogical research is provided at no cost to you. When completing the form, if the information is unknown, please leave it blank. If it is a guess or an estimate, please add a “?” after the information. You will be contacted if further information is required or once our lineage research is completed. Thank you for your interest in joining the Sons of the American Revolution.
